

## MY MOTORS

### ALUMINIUM HOUSING

MY series are single-phase capacitor asynchronous motors, made of selected quality materials and conform to the IEC standard.

ML motors have good performance, safety and reliable operation, nice appearance and, can be maintained very conveniently, while with low noises, little vibration and at the same time of lightweight and simple construction.

These series motors are suitable for air-compressors, pumps, fans, and many other small machines.

#### TECHNICAL DATA

Model	Power (kW)	Speed (t/min)	Amps (A)			Hz	Eff. (%)	P.F Cos φ	Starting torque ratio	direct on linepull out torque ratio	Locked rotor torque	Noise (A)	Weight (Kg)
			220V	230V	240V				LRT/RLT	BDT/RLT	LRA
